**THANK YOU FOR ATTENDING THE IRN-2022 SYMPOSIUM ON
PLASMA TECH – DRIVING SUSTAINABLE FUTURE**

Dear Delegates,

On behalf of the international symposium organizing committee, thank you for participating in our symposium on 10 – 11 November 2022.

We received many positive comments from the guest speakers, participants, staff, and community members about the meaningful experience the symposium was for everyone who attended, especially the members. Our success was in no small part due to the experts such as you who could answer questions, disseminate information, and administer informative screenings.

Thank you for your time and dedication you gave to this event. Through such programs as this IRN-2022 Symposium on Plasma Tech – Driving Sustainable Future, we can work together toward the goal of helping our little corner of the world become the better place.

Sincerely yours,

Professor Dr. Dheerawan Boonyawan
Chairman of the IRN-2022 Symposium
Principal Investigator of CMU International Research Network (IRN)
